

Week 2 - Making a pizza Boost

Base: - Draw around a plate, find a paper plate and stick it in, cut a circle of cardboard....

Remember you don't have to have a round pizza!

Sauce: - What are all the things you have around you which help you to be who you are?

Grab your best sauce colours and write/draw/stick your words.

where do you live, family unit, school to teach you, car to get you to places.....

Cheese: - What is the glue that sticks all of your you-ness together?

Use yellow paper or paint the paper your own cheesy colours. Write a list of all your favourite things, slice them up and scatter them over your base and sauce

What are your favourite things? Things you like to do? People you like to spend time with?
Places you like to go

Toppings: - The pizza is topped with all the important things about you.

Draw your favourite pizza toppings, write on each of them your skills your talents, your strengths the favourite things about yourself.

Anything wonderful and positive that makes you uniquely amazing!!!
