## Sharing and learning new skills

Have a look at your pizza boost page and list all of your skills. Do you have a skill that you are really good at? So good that you could teach it to someone else?

IS THERE ANYTHING YOU HAVE WANTED TO LEARN?

Draw a picture in your journal of you doing that thing.

## NEW THINGS YOU COULD TRY

- Learn words from a new language
- Improve your art skills
- Memorise and sing a song
- Learn to cook something
- Write a book
- Act a scene from your favourite movie
- Learn to knit
