

Week 6 – Music week

This week's page project is mark making to music.

First exercise: - Take a pen or pencil and, depending on how the word is making you feel, hold it accordingly. In the boxes below make marks on the paper to represent the word. [you can also draw up your own in your journals]

HAPPY	WATER	FALL
FAST	ANGRY	SWIRL
BANG	SOFT	LOUD

The aim of this is to make you think about the variety of marks that you are able to make with one tool and how you can translate emotion onto a piece of paper.

Second exercise: - Find a radio/ CD player or music channel on telly and for the whole duration of a song make marks on one piece of paper. Don't be afraid to work over marks and play around making lots of different shapes; demonstrating what you can hear and how you feel about it.
