

WEEK 3 - Talk

What is a skill?

This is something you learn to do.

Some skills will come more easily to you than others but with practice they can all become **GREAT SKILLS**.

COOKING

DANCING

CODING

What is a talent?

This is something you are naturally good at doing.

That doesn't mean that you don't have to practice at it; if you do, you can become **GREAT**.

SINGING

SWIMMING

DRAWING

What is a strength?

These are the things that you are good at doing better than others.

Everyone has their own strengths.

- Some people are awesome at maths but not brilliant at English
- Some people are great at basketball but not tennis
- Some people are amazing knitters but can't sew
