

## WEEK 9 - Page Project:

Make a selfcare box: -

..it could be a shoe box, Amazon box or make yourself a net and make your own box.

Have fun decorating it: -

- Why not stick all your favourite things on it.
- A collage of pictures that make you feel happy, safe, loved, relaxed, awesome.
- Collage magazine cuttings of all your favourite artists, and programs and actors and books.
- Draw your favourite things. You could make it look like a Tardis or At-At or dragon. Anything you like.

Enjoy making a little 'you space' to store all your happy treasure in.
